

**DECLARATION AND POWER TO PROSECUTE**

As a below named inventor, I/we hereby declare that:

My/Our residence, post office address and citizenship are as stated next to my name;

I/WE believe I/WE am/are the original, first and sole inventor (if only one name is listed below) or an 'original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

**NOVEL IMAGING MARKERS IN MUSCULOSKELETAL DISEASE**

the specification of which:

(check one)

☐ is attached hereto;

☒ was filed as United States Application Serial No. 10/665,725 on September 16, 2003, and was amended on \_\_\_\_\_ (if applicable);

I/We have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above;

I/We acknowledge the duty to disclose to the U.S. Patent and Trademark Office all information which is known to me/us to be material to the patentability of said invention in accordance with 37 C.F.R. §1.56;

I/We hereby claim the benefit under 35 U.S.C. §119(e) of any United States provisional application(s) listed below:

<u>Application Number(s)</u>	<u>Filing Date(s)</u> (day/month/year)	<u>Priority Claimed</u>
60/411,413	16 Sept. 2002	YES

I/We hereby claim the benefit under Title 35, United States Code, §120 of any United States applications listed below, and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code §112, I/we acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations, §1.56(a) and (b) set forth above which occurred between the filing date of the prior application and the national or PCT international filing date of this application:

<u>Application No.</u>	<u>Date of Filing</u> <u>(day/month/year)</u>	<u>Priority</u> <u>Claimed</u>
------------------------	--	-----------------------------------

As to the subject matter of this application which is common to said earlier application, I/we do not know and do not believe that the same was ever known or used in the United States of America before my or our invention thereof or patented or described in any printed publication in any country before my or our invention thereof or more than one year prior to said earlier application, or in public use or on sale in the United States of America more than one year prior to said earlier application; that said common subject matter has not been patented or made the subject of an inventor's certificate issued before the date of said earlier application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to said earlier application; and that the earliest application(s) for patent or inventor's certificate on said invention filed by me or my legal representatives or assigns in any country foreign to the United States of America is identified below, as well as all other such applications (if any) filed more than twelve months prior to the filing date of this application:

None known.

The priority of the earliest application(s) (if any) filed within a year prior to said pending prior application is hereby claimed under 35 U.S.C. §119.

As to the subject matter of this application which is not common to said earlier application, I/we do not know and do not believe that the same was ever known or used in the United States of America before my or our invention thereof or patented or described in any printed publication in any country before my or our invention thereof or more than one year prior to the date of this application, or in public use or on sale in the United States of America more than one year prior to the date of this application, and that said subject matter has not been patented or made the subject of an inventor's certificate issued in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to the date of this application, and that the earliest application(s) for patent or inventor's certificate on said subject matter filed by me or my legal representatives or assigns in any country foreign to the United States of America is identified below, as well as all other such application(s) (if any) filed more than twelve months prior to the filing date of this application:

None known.

The priority of the earliest application(s) (if any) filed within a year to this application is hereby claimed under 35 U.S.C. § 119.

As a named inventor, I/we hereby appoint the registered practitioners included in the Customer Number provided below to prosecute this application and to transact all business in the U.S. Patent and Trademark Office connected therewith; I/we further direct that correspondence concerning this application be directed to:

CUSTOMER NUMBER: **36806**

I/We hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
